

Press Release

12 November 2022

Eurasia Door, Window and Glass Fairs open with a target of 60 thousand visitors!

Eurasia Window, Door and Glass Fairs, the largest and most prestigious fairs in the Eurasia Region, opened their doors simultaneously on Saturday, November 12, at Istanbul Tüyap Fair and Congress Center. Taking place in 12 halls, the fairs will remain open until November 16, and have attracted great interest from the visitors from the first day.

The Eurasia Window, Door and Glass Fairs, which are among the largest and most prestigious industrial events in the region, will host their visitors at the Istanbul Tüyap Fair and Congress Center until 16 November 2022. The fairs, held in collaboration with the Window and Door Sector Association (PUKAD), Window Producers Quality League Association (PUKAB) and Entrepreneur Aluminum Industrialists and Business People Association (GALSIAD), and accommodate more than 60 thousand visitors from nearly 140 countries, including especially the Balkan countries, Middle East, Turkic Republics, Eastern Europe, Central Asia and North Africa.

As part of the international procurement committees of the fairs, which gather 544 companies and company representatives and 454 brands under the same roof, nearly 600 industry professionals from over 100 countries come together in Istanbul.

Aluminum Special and Shading Special Sections of the Eurasia Window Fair 2022

The 23rd International Window, Window Shade, Facade Systems and Accessories, Profile, Production Technologies and Machinery, Insulation Materials, Raw Materials and Auxiliary Products Fair will bring together leading firms in the industry operating in the fields of window manufacturing machinery and technologies, window profiles, profile manufacturing machinery, window mechanisms, window side industry, facade systems, insulation materials, raw materials and auxiliary products with numerous decision-making industry professionals.

The "Aluminum Special" section within the Eurasia Window Fair is populated by firms operating in the fields of aluminum windows, profile, facade systems, aluminum accessories and manufacturing machinery, while the "Shading special" section will accommodate firms operating in the fields of shading, protection and closure systems.

The Eurasia Door Fair gathers visitors for the 14th time, and the Eurasia Glass Fair for the 12th time

The **Eurasia Door Fair**, where the industry's leading manufacturers of interior door and door systems, locks, panels, panels, partition systems and accessories exhibited their products and services, met with its visitors for the 14th time; and the **Eurasia Glass Fair** met with its visitors for the 12th time with glass products and applications, production-processing technologies and machines, and complementary products and chemicals.

Business Connect Program connects the advantages of a physical fair and the possibilities of the digital world!

During the fairs, which will continue in a hybrid format, participants and visitors will be able to get together, set meetings and communicate with each other in a digital environment via Tüyap's Business Connect Program, and they will be able to maintain their communications through this online platform.

The Fairs will be open for visit between 10.00-18.00 on November 12-15, and between 10.00-17.00 on November 16.
