November 2023

Eurasia Window, Door and Glass Fairs attracted more than 56 thousand visitors from 122 countries

The Eurasia Window, Door and Glass Fairs, the largest and most prestigious fairs in Eurasia in their respective categories, have ended. The fairs, which were held at Tüyap Fair and Congress Center located in Istanbul from 11 to 14 November 2023, attracted 56,398 industry professionals from 122 countries.

More than 600 companies and company representatives exhibited in the Eurasia Window, Eurasia Door and Eurasia Glass Fairs, the largest industrial events in Eurasia in their respective fields. A total of 56,398 industry professionals, including 12,988 professionals from international countries, visited the fairs.

The fairs, which were held in an indoor area of 120 thousand square meters across 14 exhibition halls, were made possible thanks to the 44-year experience and know-how of Tüyap Fair Organization Group and the collaboration with the Window and Door Sector Association (PUKAD), Window Producers Quality League Association (PUKAB) and Entrepreneur Aluminum Industrialists and Business People Association (GALSIAD).

In addition, the Aluminum Special Section and the Shading Special Section attracted great attention within the scope of the Eurasia Window Fair, which opened its doors for the 24th time this year. In these sections, a wide range of products and services were exhibited, from aluminum windows, profiles, facade systems, aluminum accessories to awnings, pergolas, glass balcony and winter garden systems.

Berkan Öner, General Manager of RX Tüyap, stated that they completed the Eurasia Window, Eurasia Door and Eurasia Glass Fairs with a record number of exhibitors and visitors and added: *"We are proud to have opened our fairs with the participation of more than 600 leading companies and company representatives. We reached a record number of exhibiting companies in 2023 and utilized the entire 120 thousand square meter area of our exhibition center. Our visitors from 122 countries made important business contacts with the representatives of the exhibiting companies during the 4-day fair period. The leading giant companies of our country introduced their latest innovative solutions to more than 56 thousand local and international visitors under the roof of Eurasia Window, Eurasia Door and Eurasia Glass Fairs and opened new export doors for themselves."*
